Support Groups

Parent & Grandparent Support Group

Being a parent or caretaker of a child with emotional or mental health challenges is not always easy. We understand and are here to help. Join us each month when we meet to discuss the joys and challenges of raising children with special needs. Listen to how others are meeting the challenge and get the support and understanding you deserve. Julie Rikon with the Association for Special Children and Families (ASCF) will be facilitating this group.

Meets 2nd Wednesday of every month, at 10:30am-1:00pm at Family Partners, 67 Spring St., Newton.

Parent Networking Support Group

Meets during all Youth Partnership programs. The parent networking group is for parents and caregivers who are raising children with emotional and behavioral challenges.

Meet other families in the community with similar situations, learn about services that are available for you, and begin to build a support network.
